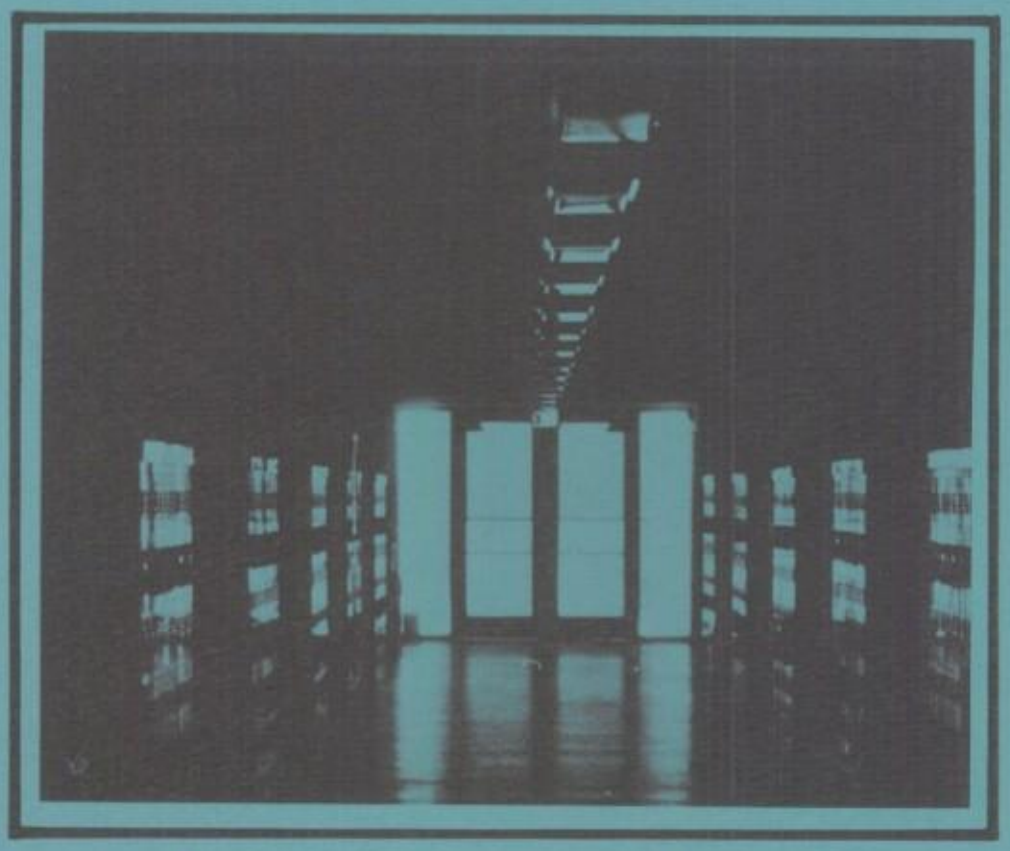
# Highland Honors Cathy Carr

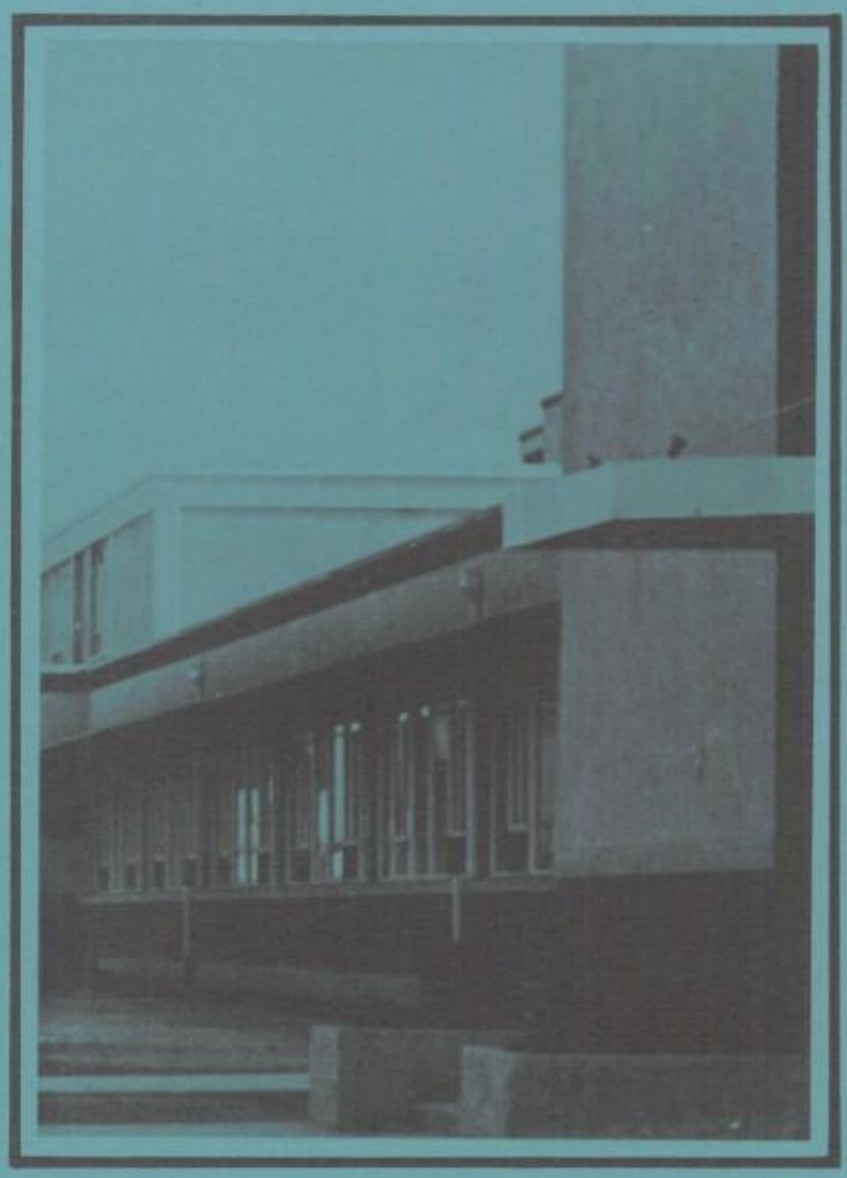
Olympic Gold Medal Winner, Cathy Carr, was honored at a reception in the school's Media Center on November 2.

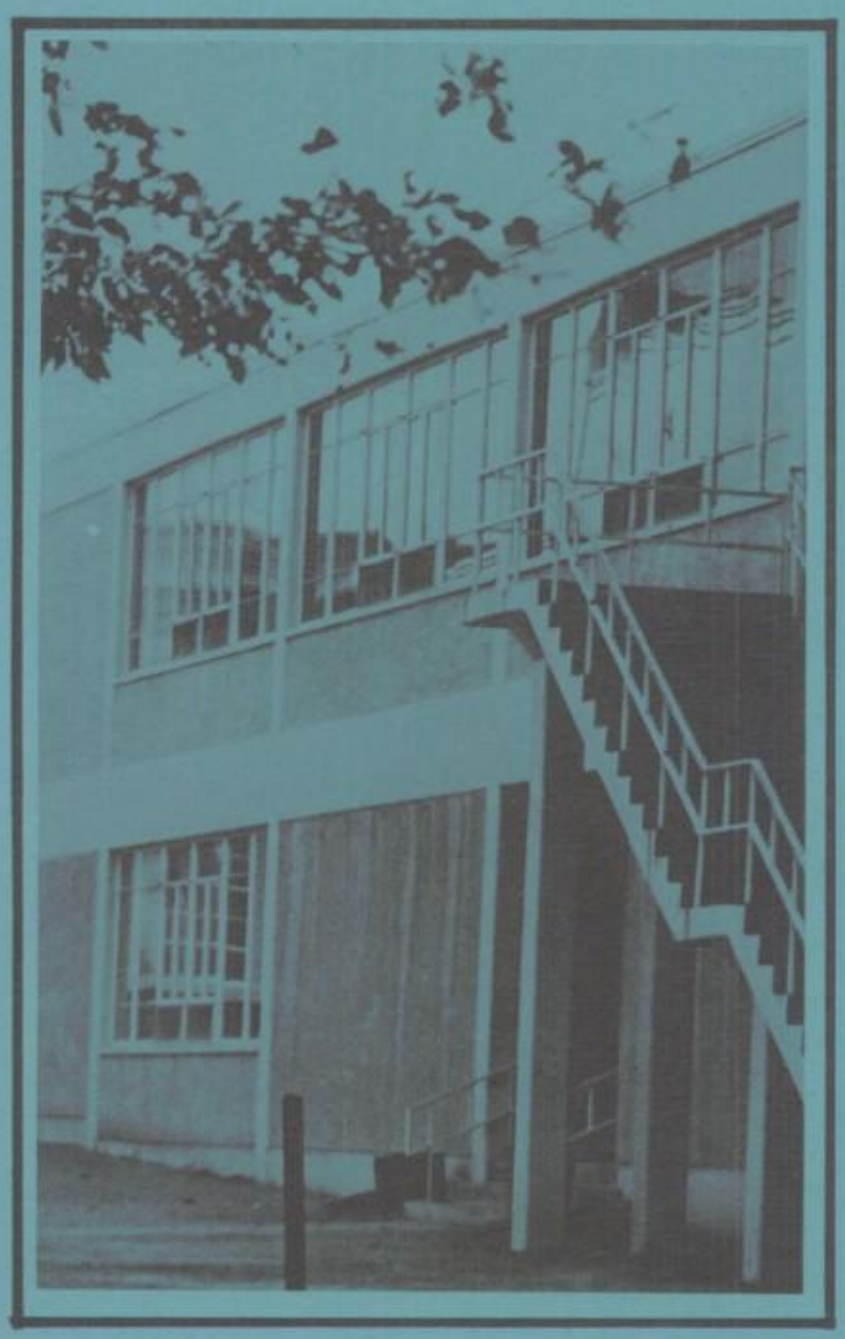
Cathy, who graduated from Highland in June 1972, won two Gold Medals in swimming at the Olympics in Munich, Germany in August. The pictures on the page were made at the reception, where the students and faculty presented Cathy with a case in which to display her medals.

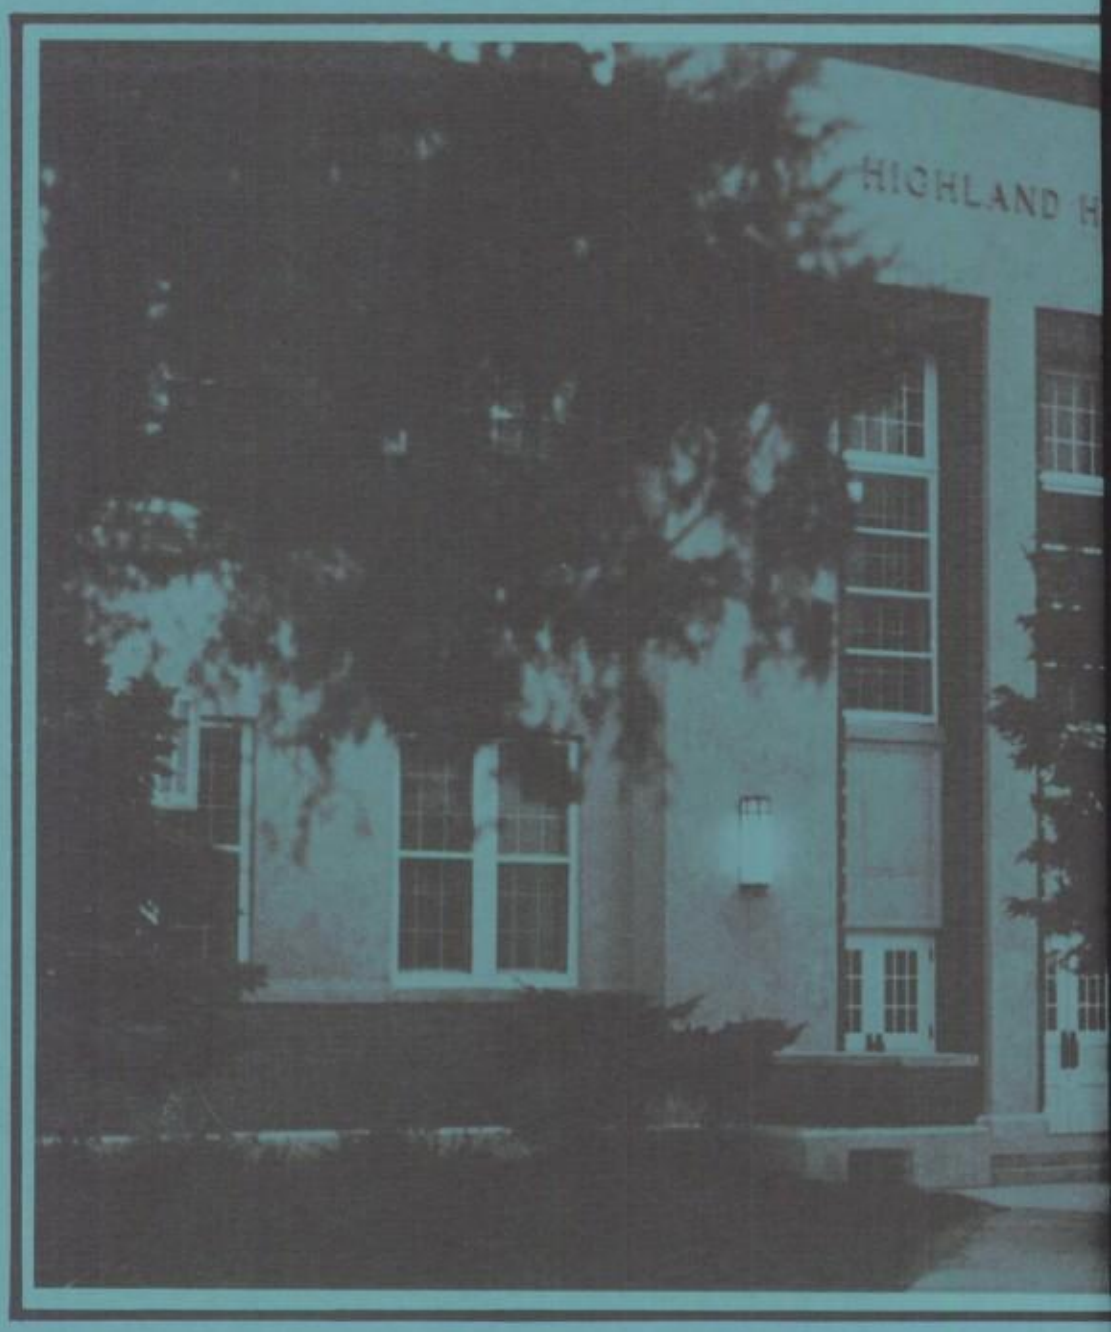
America, Communicate with Me

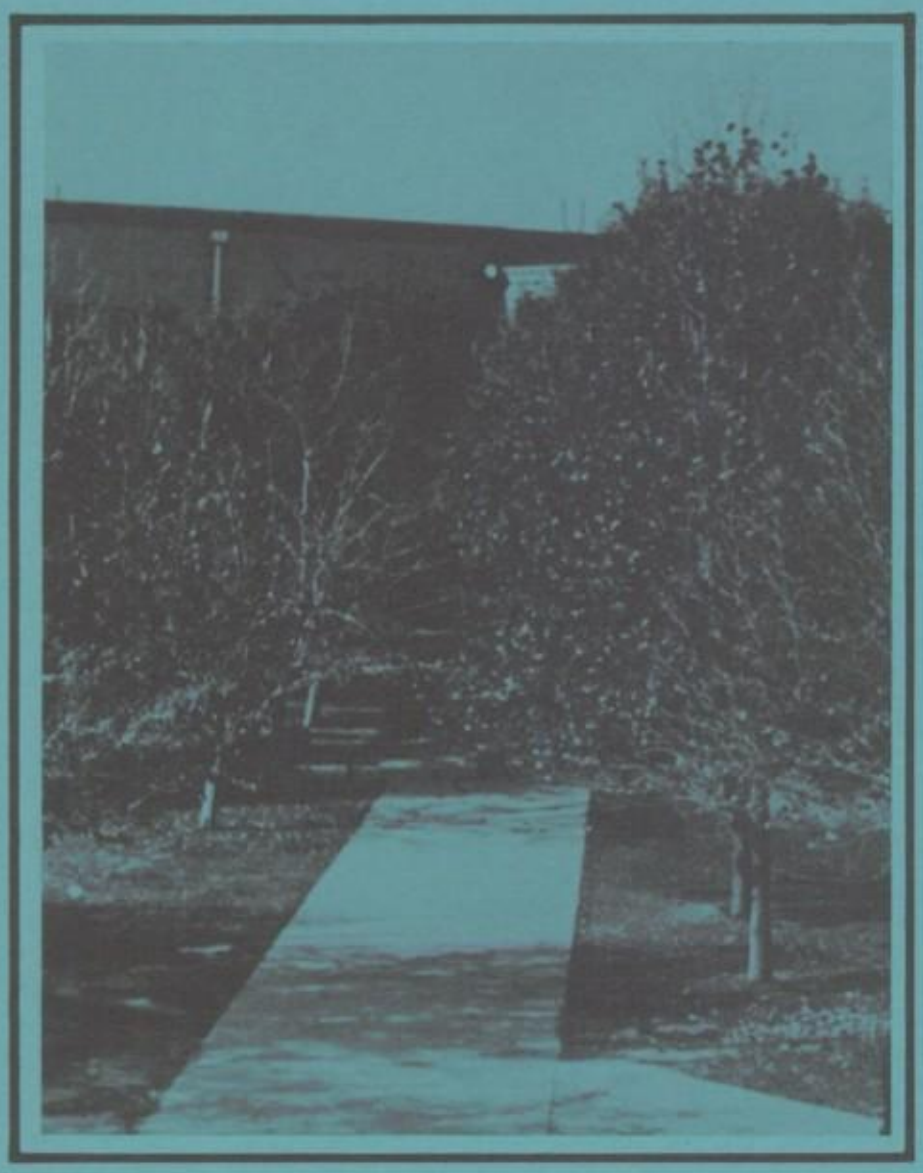
I'm tired of all your protests, they're getting out of hand.
And all you politicians, you're too vague to understand.
Yeah, I'm somewhere in the middle of two extremes without a plan.
I'm just the average man just trying to do the best I can.





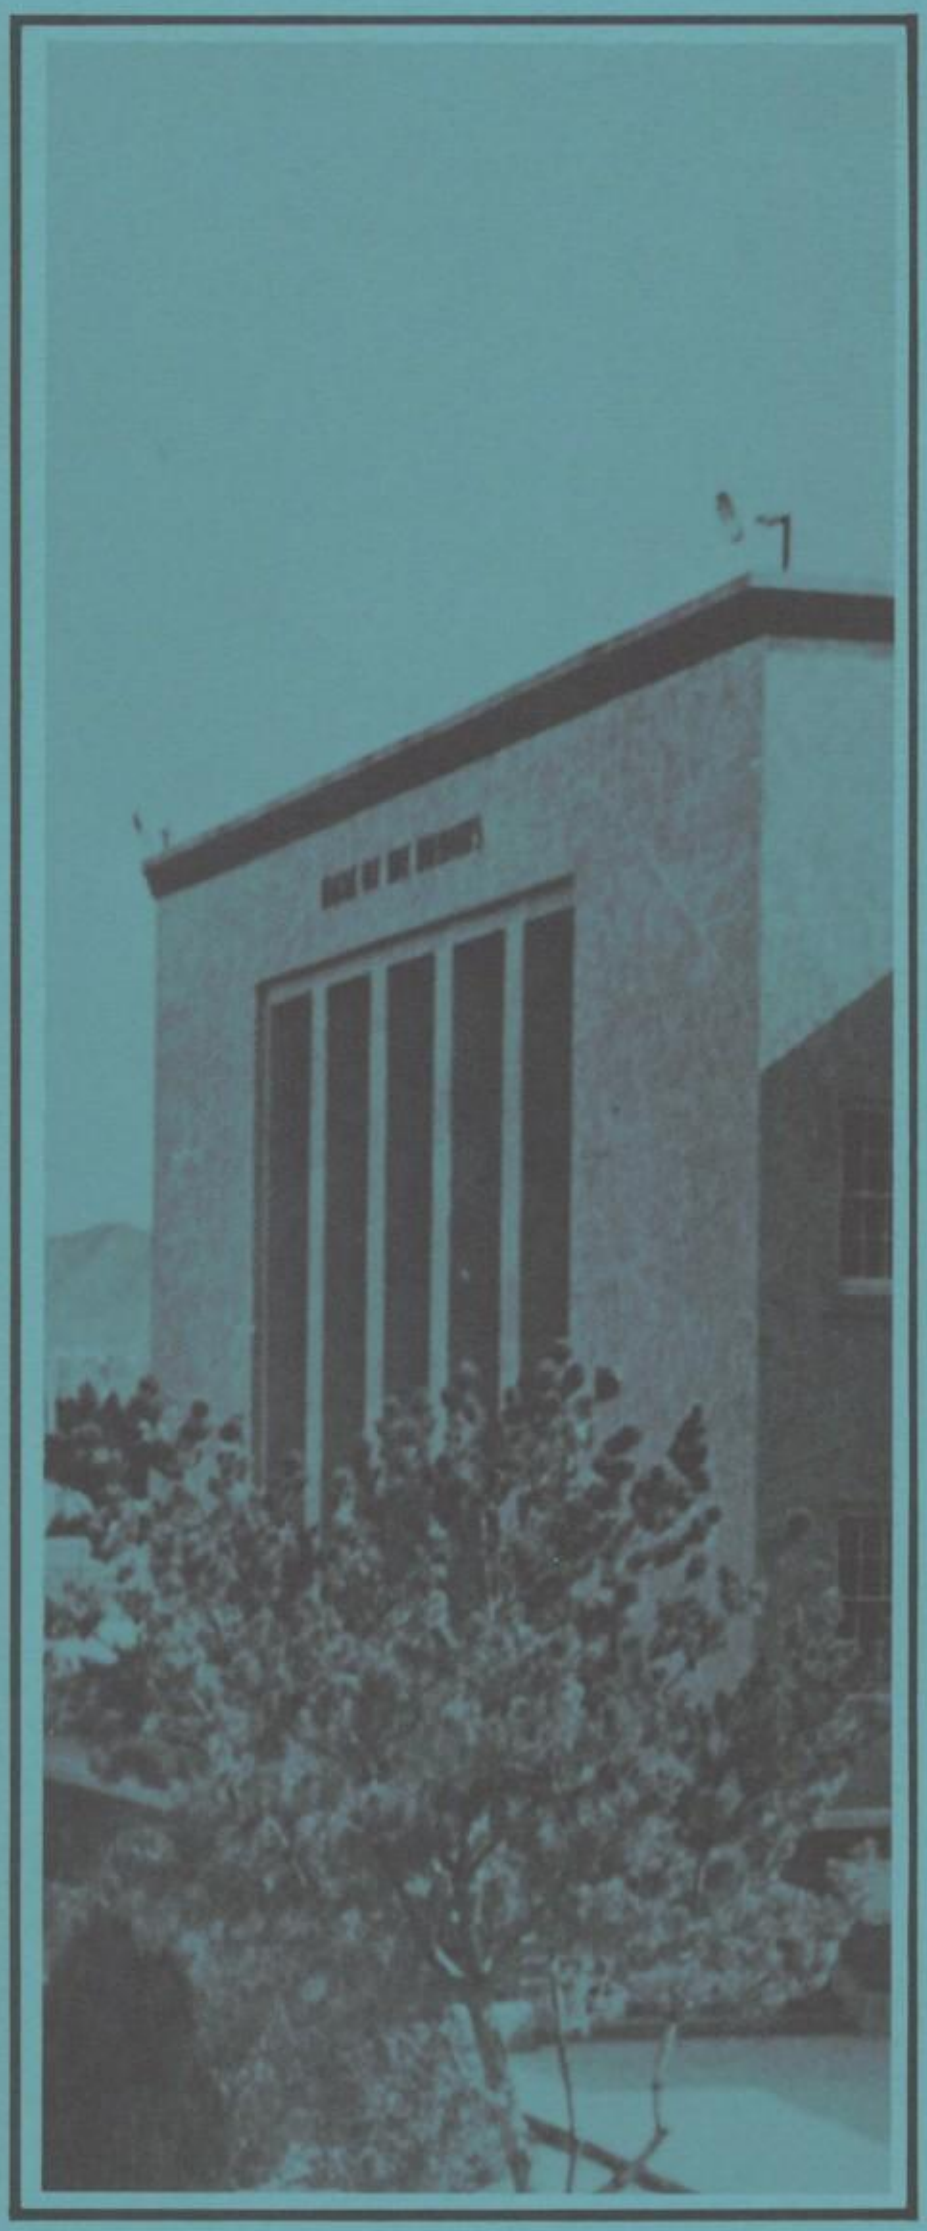


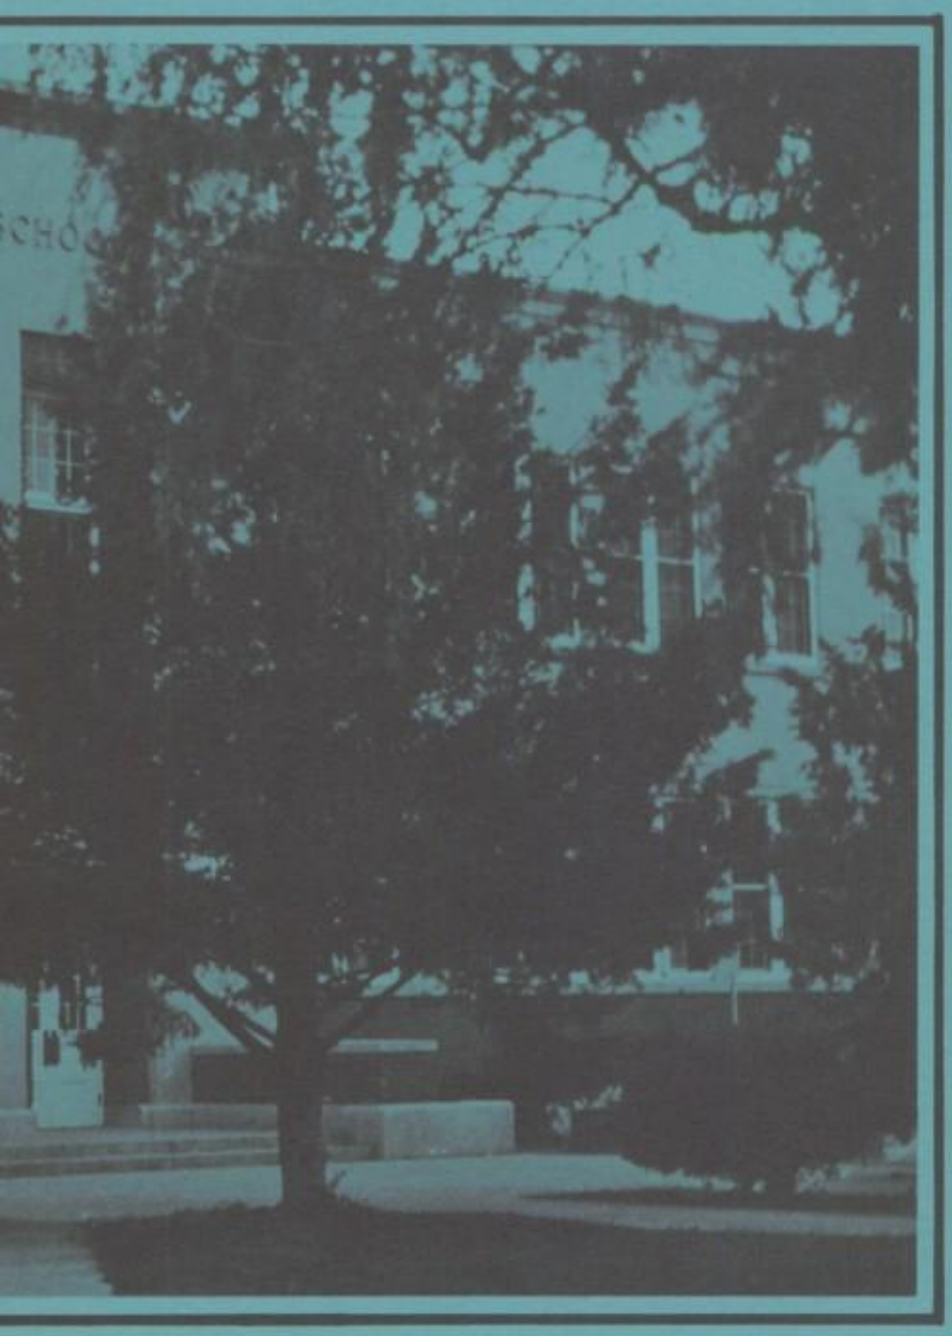




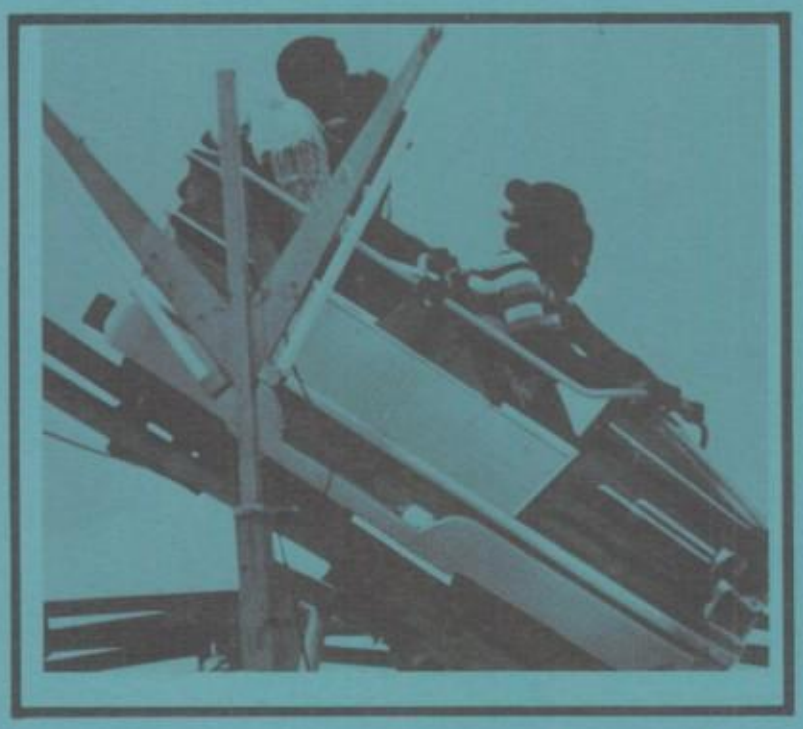
AMERICA—Love it or Leave It

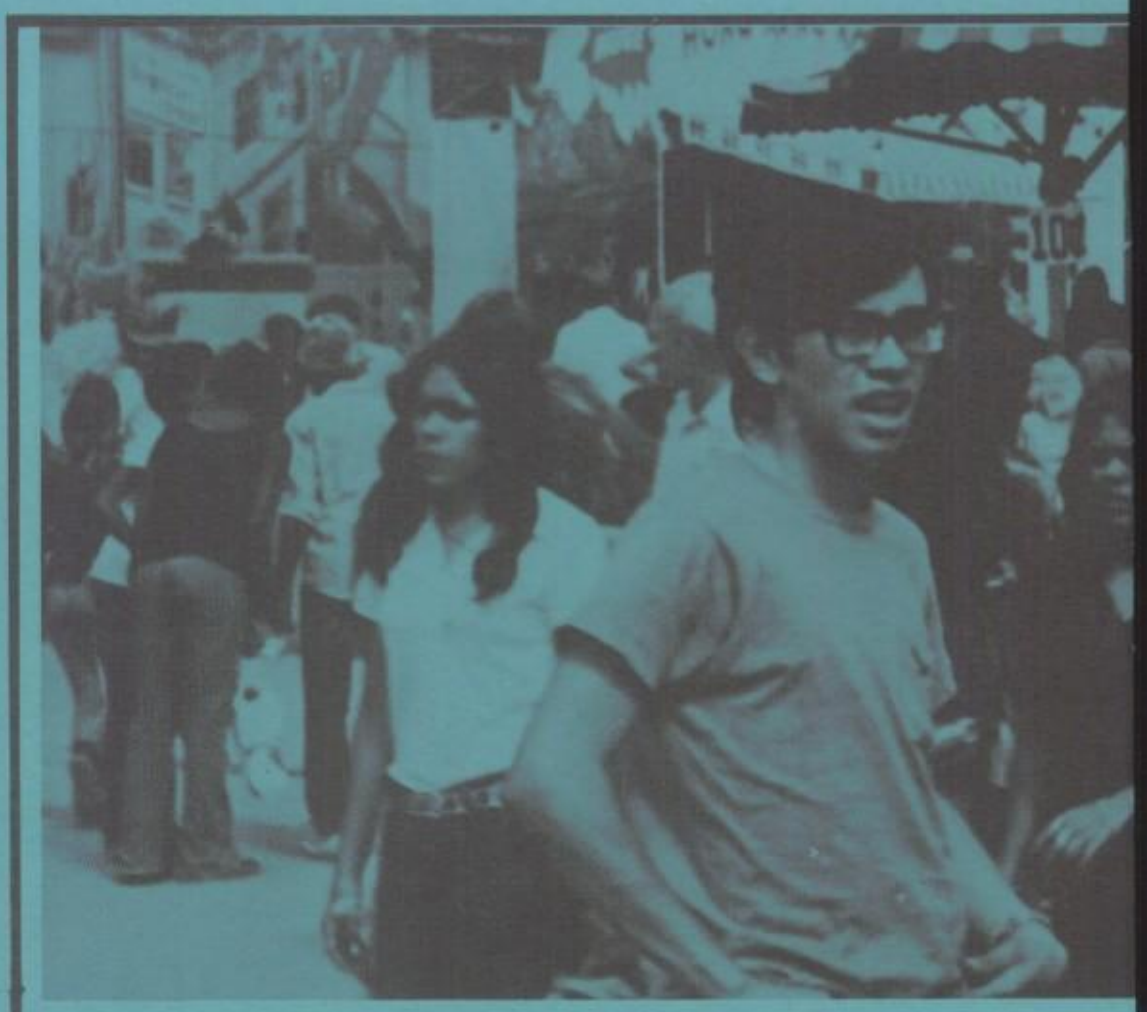
Footprint of the American Chicken ☮





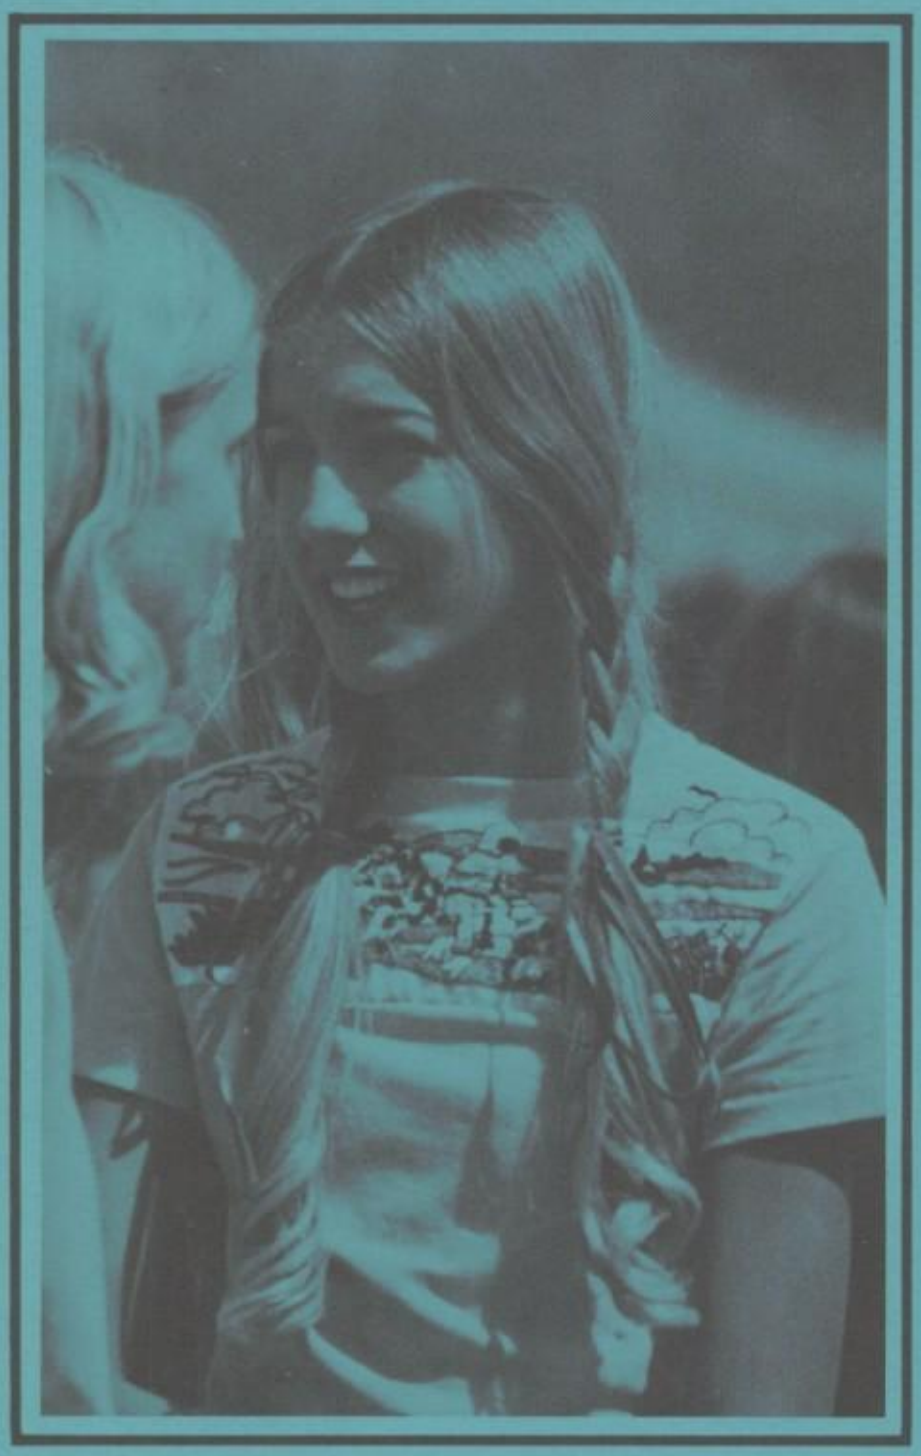
And I've had it with the preachin'—I don't want to hear no more.
Everybody's spreading doubts with shouts of politics and war.
And from where I stand it don't make sense to be against or for.
Seems like now a days there is no call to reason anymore.



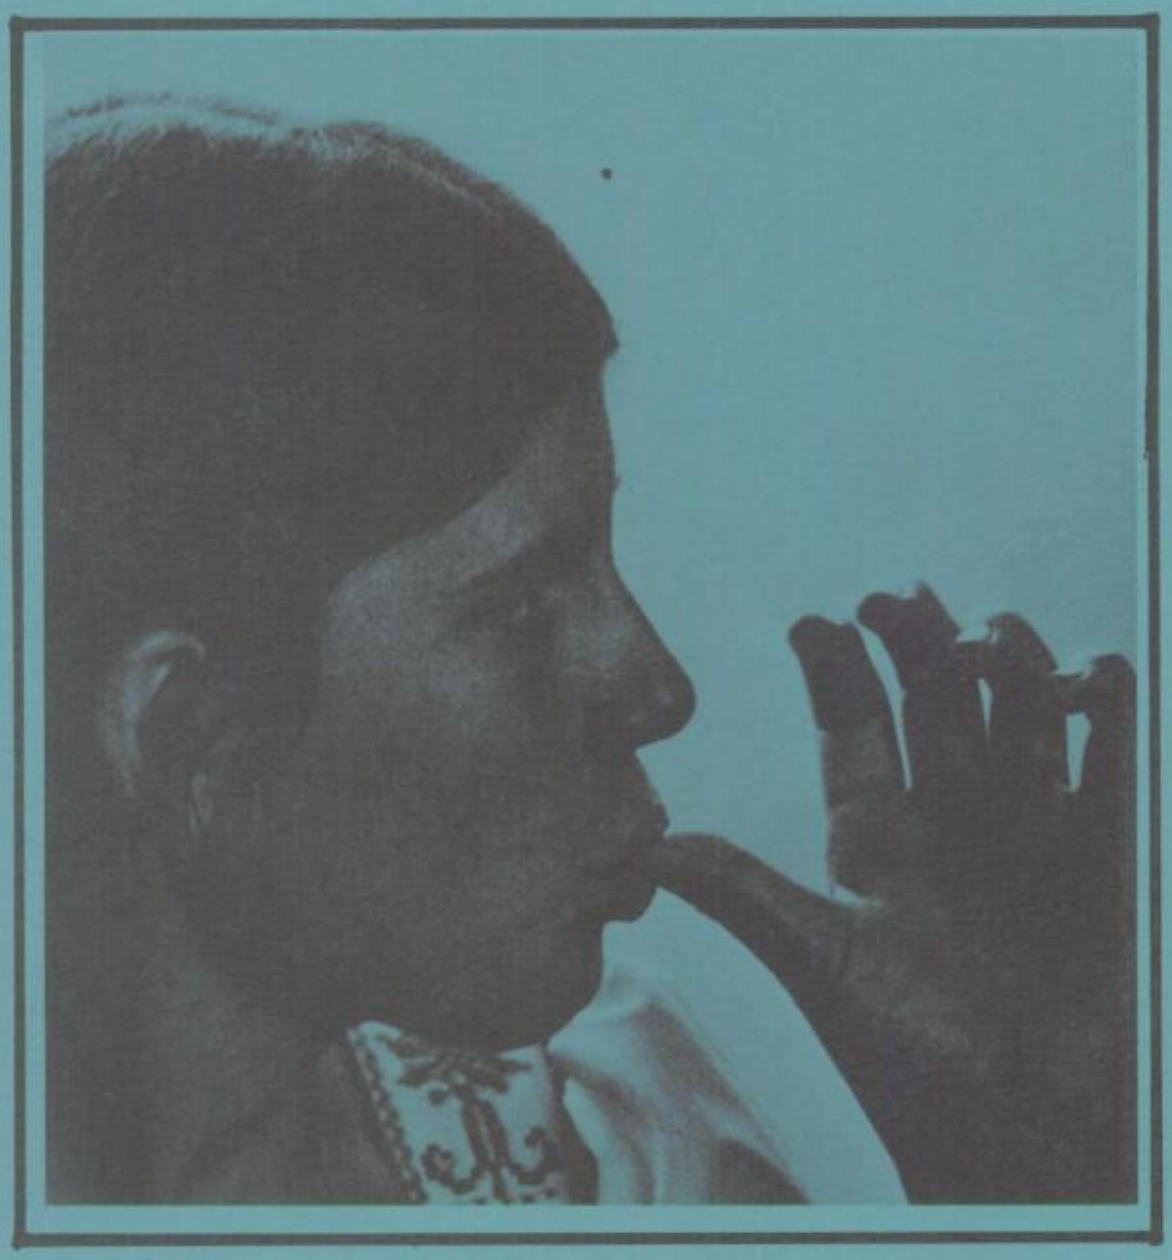


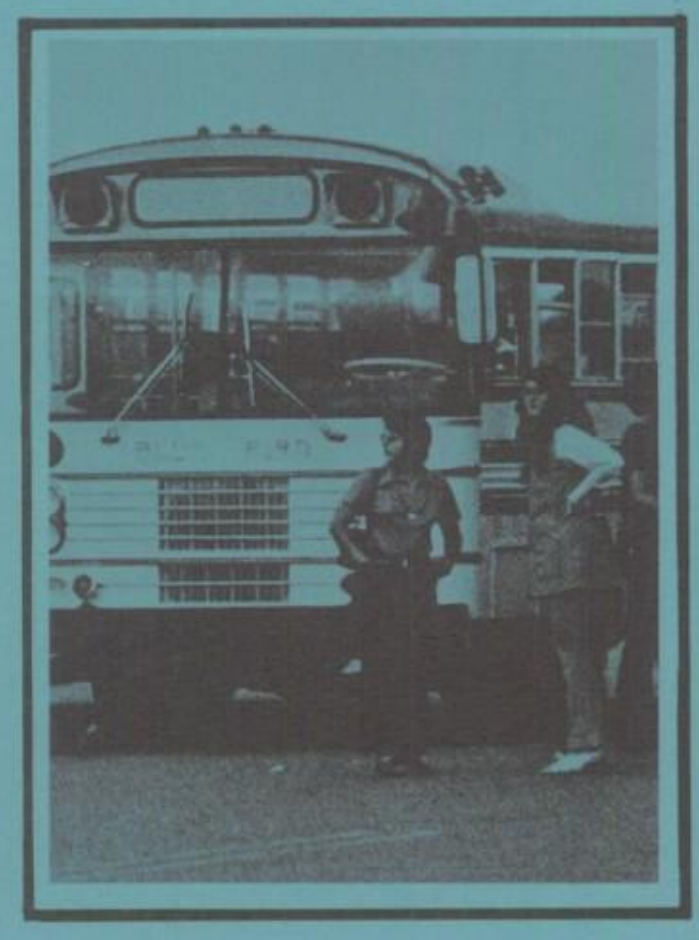
War is not Healthy for Children and Other Living Things

Will Rogers Never Met McGovern



But the answers aren't all yes or no, to or fro, stop or go.
Everything's not left or right, black or white, day or night.
America, my country 'tis of thee!
America, communicate with me.

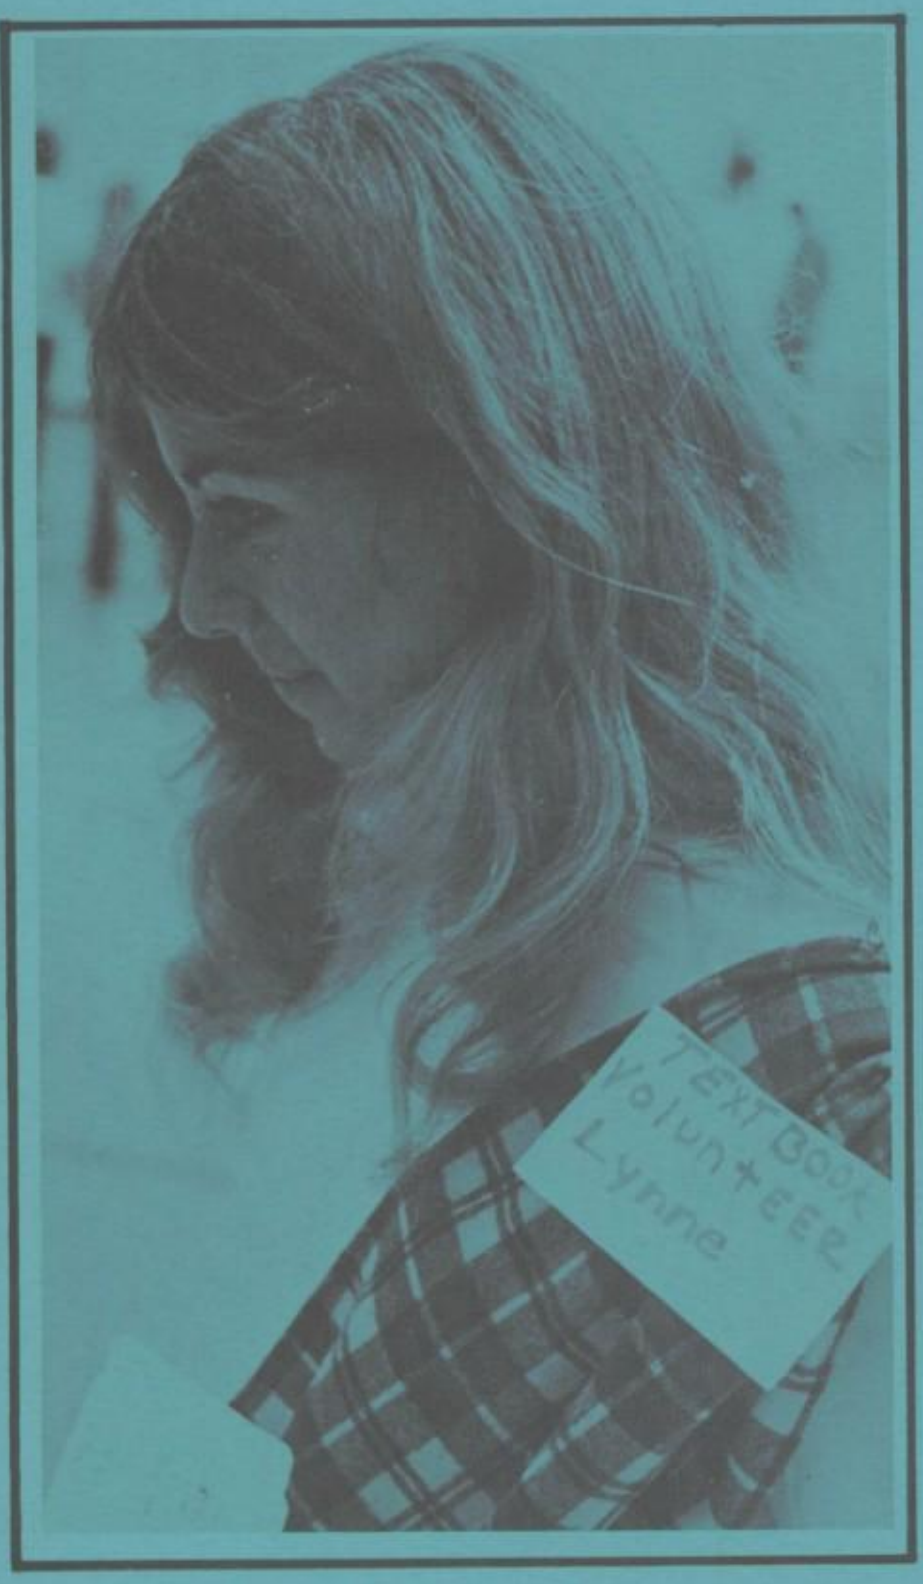




Ski Texas

Re-Elect The President

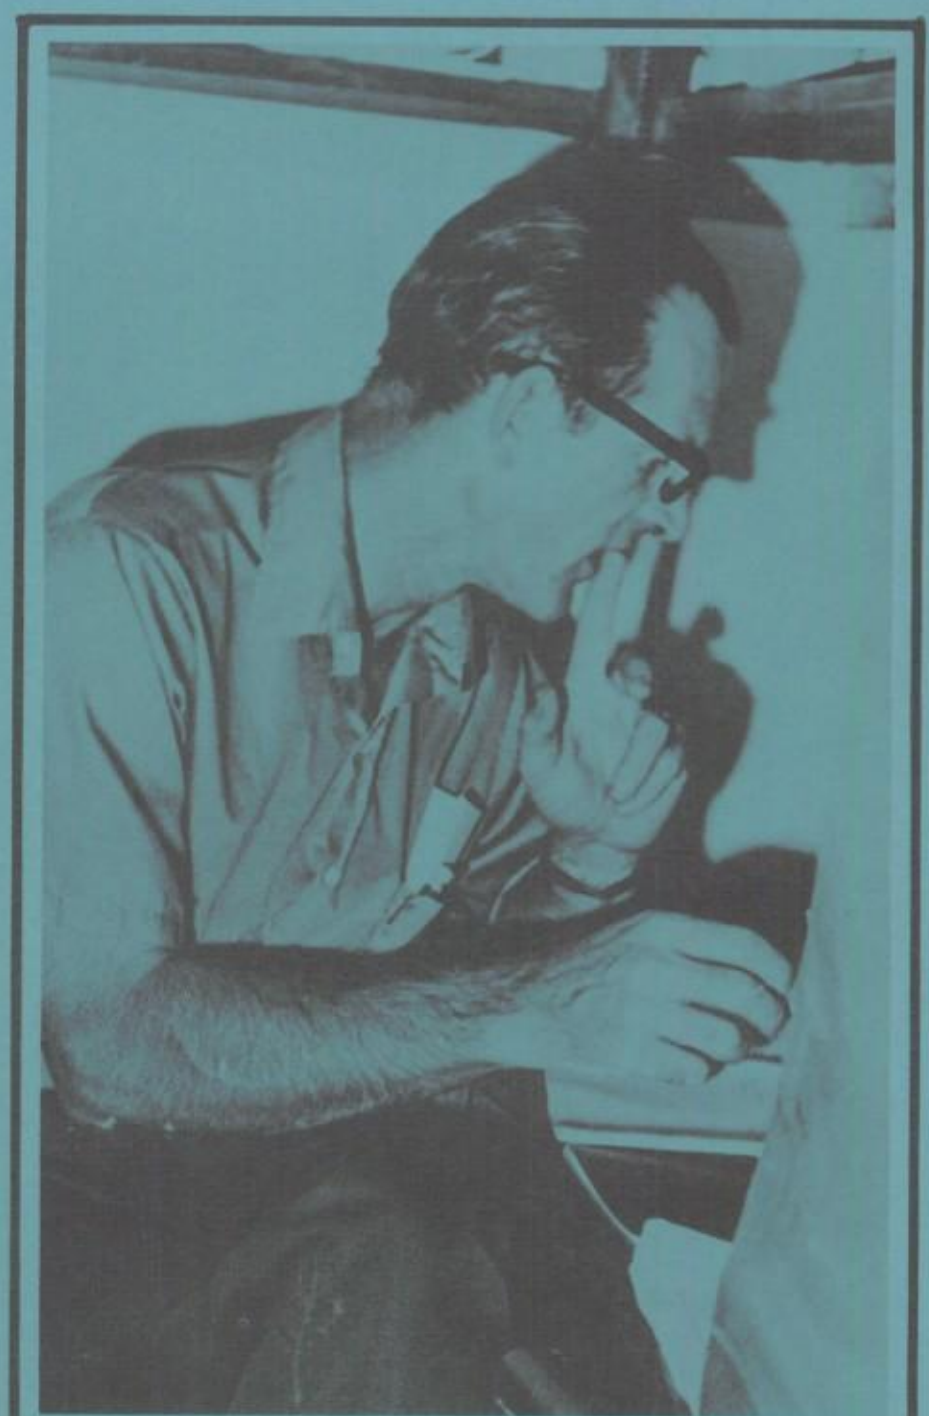
Three small bullets took the leaders that could help us all unite.
And the people split asunder in their search for truth and right.
And the rabble rousers preach distorted views from left and right.
And the rockets red glare searches for the dawn's early light.

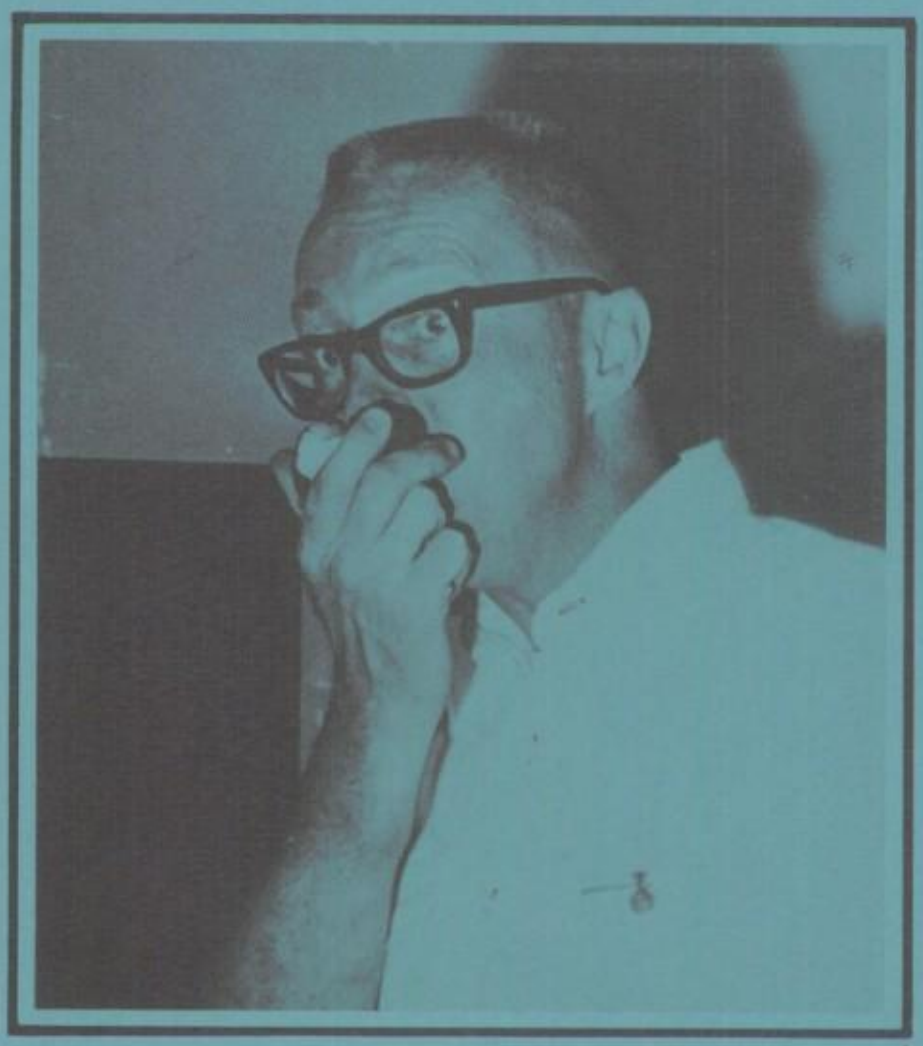


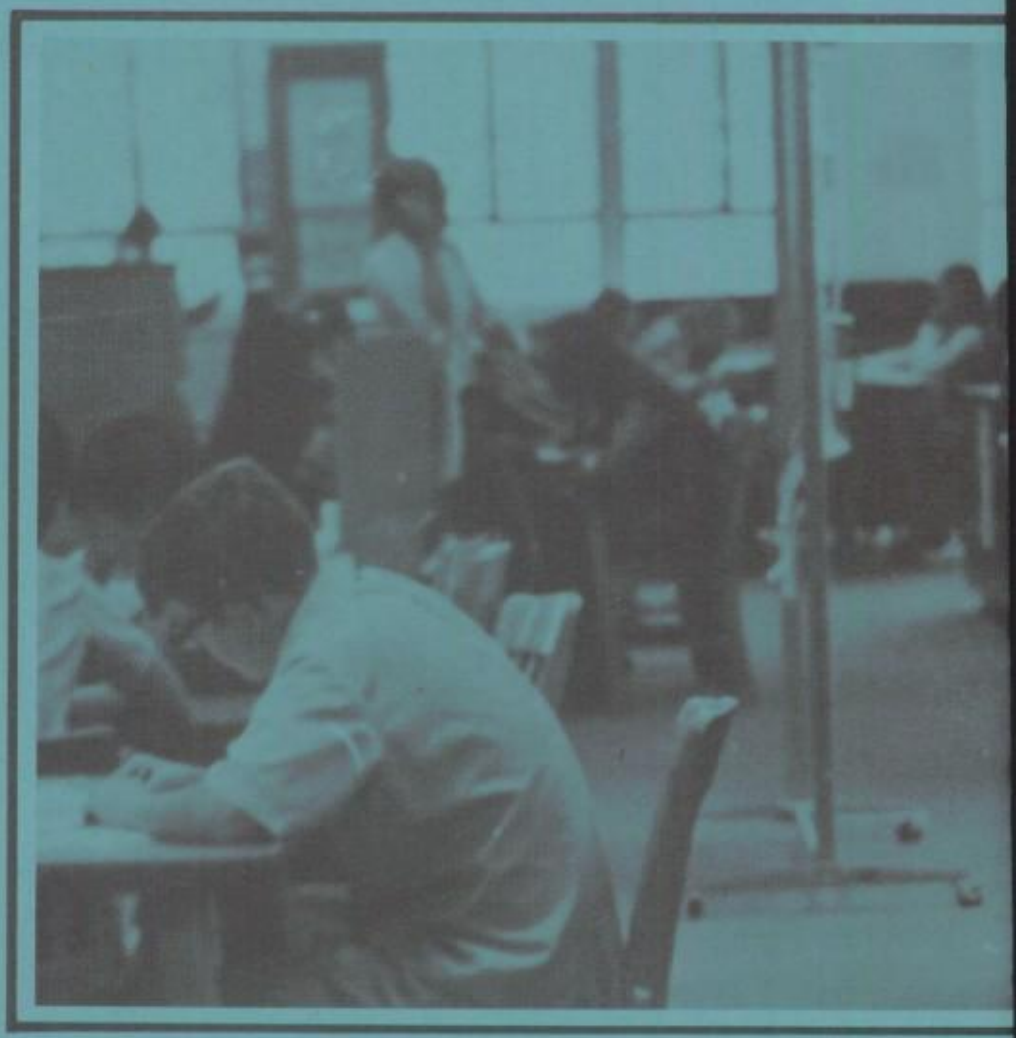
AMERICA—Change it or Lose It

If You Think the Police are Bad, the Next Time You are in Trouble, Try Calling a Hippie

But despite your flaming headlines, I'll still keep my faith in you.
And you're still the same great country that I pledge allegiance to.
Call me a sentimental patriot, well, I guess that could be true.
But I can't help but think a lot of people feel the way I do.







Have You Thanked a Green Plant Today?

Give a Hoot! Don't Pollute!

But the answers aren't all yes or no, to or fro, stop or go.
Everything's not left or right, black or white, day or night.
America, my country 'tis of thee!
America, communicate with me.

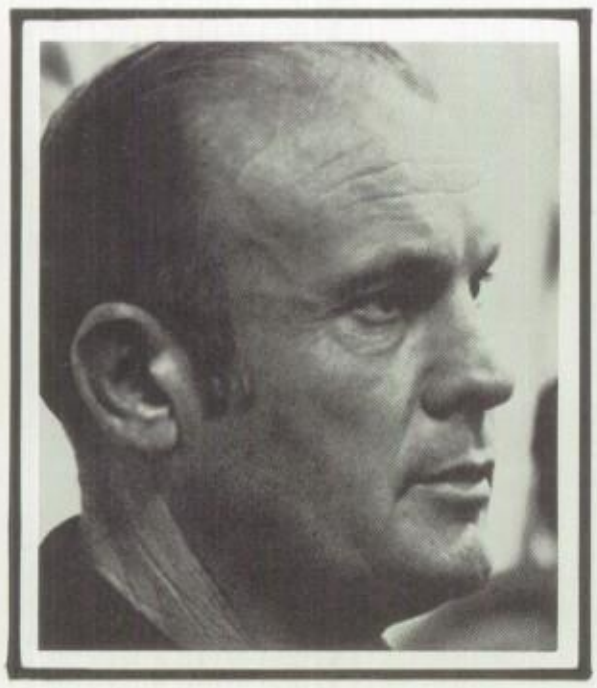
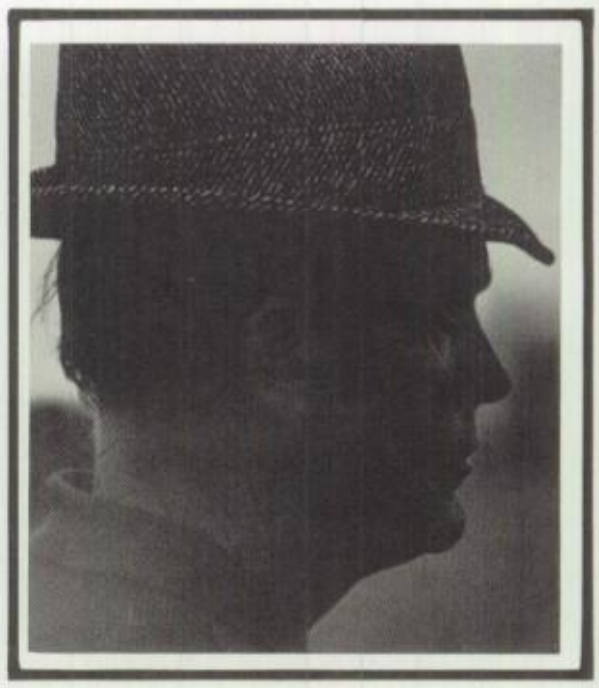
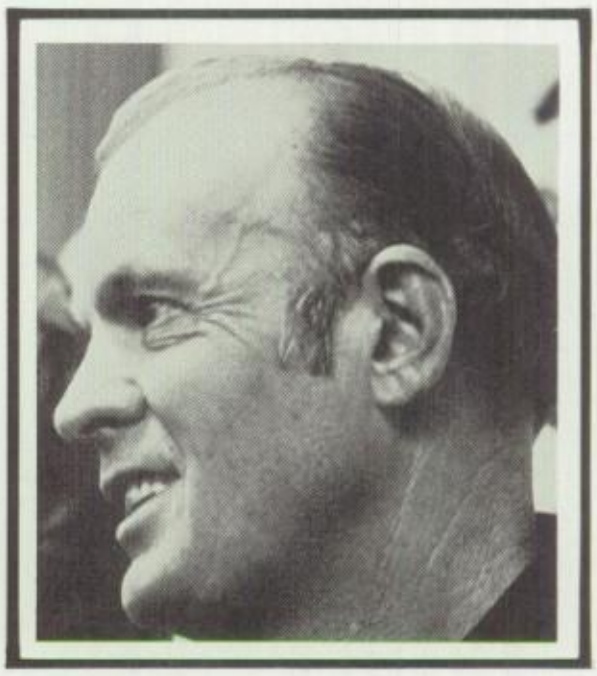
# COACH GENTRY COMPLETES 15th SEASON AT HHS!







Who has a record of 29 losses, 2 ties, and 118 wins? Highland's very own Coach Bill Gentry!

Coach Gentry hails from Slaton, Texas, "Tiger Land". Before becoming a coach he worked at everything from a lineman for the Sante Fe telephone company to a policeman.

He went to Coffeyville Kansas Jr. College for two years and then completed his college education at UNM.

Throughout his coaching career he feels that the greatest pleasure he receives from coaching is working with each squad, and seeing them doing their best, with the objective of winning.
hasn't taken any college offers for security reasons. If he'd lose, he's lose his job and he also likes Albuquerque.

Coach Gentry is very proud of getting "Coach of the Year." He feels it is a great honor, and that he received it through the efforts of his team.

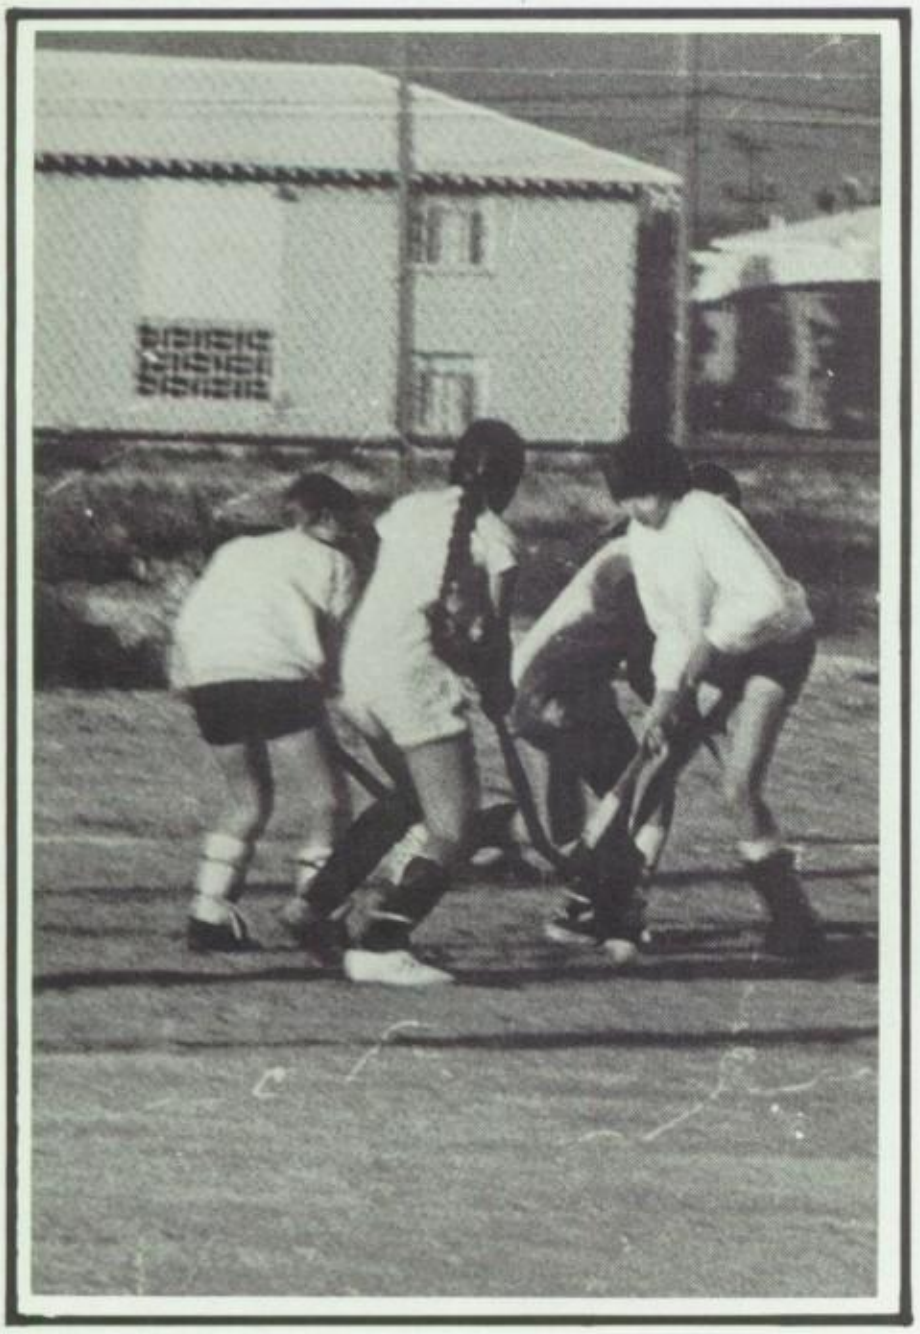
# GIRLS SPORTS GAIN RECOGNITION



For the very first time in the history of Highland, girls sports received recognition. At the Winter Sports Assembly, the girls basketball and swimming teams were introduced along with the boys teams.

The girls hockey team ended the season with a record of 3 wins and 4 losses. They played such teams as Santa Fe Prep, Sandia Girls School, Los Alamos, and the University of Albuquerque.

There were several "Sportsdays" in which the volleyball team competed. School of the Deaf, Socorro, and several Albuquerque high schools were the competitors of both the "A" and "B" teams.

The basketball team took three out-of-town trips to play various schools around the state. Both "A" and "B" teams had successful seasons.

The person responsible for all of the success of the Girls Athletic Association was Miss "Tiny" Vidano. The girls feel that "Tiny" held the teams together throughout their various seasons.

# THROUGH SNOW, SLEET, RAIN, OR HAIL A CROSS-COUNTRY RUNNER NEVER FAILS

Coach Ed. Coleman coached the twelve across-country runners this year. The course they ran ranged from a minimum of 2.8 miles to a maximum of 3.5 miles. Unlike a lot of other outdoor sports a cross-country meet is never called off—no matter what the weather.

Although there was only one returning letterman this year there will be six returning next year.

For the fifteenth year the Hornet Tracksters will run under the coaching of Coach Henry Sanchez. Throughout his career Coach Sanchez has seen his track teams win 9 District and 7 State Championships.

The track team is starting the season with only two returning lettermen. So the young team will have to work hard throughout the entire season.

There are two feminine faces around the track this year. Lucille Jones is actively participating on the team and Karen Friedman is a manager.

# Homecoming 1972

(Left, above) Christin Galloway sings "Bless the Beast and the Children" at the homecoming assembly. (Far left) Lynn Manso shows delight at the homecoming reception. (Left) Lee Schuster and Amy Fritz seem to enjoy themselves at the reception following the assembly.

Highland Homecoming, held on October 6 and October 7, 1972, had Camelot for its theme. Out of 15 girls Debbie Fox was chosen second attendant and Lori Palmer was chosen first attendant to the Queen. Ljerka Kordic was chosen Hornet Queen. Queen Ljerka reigned over the homecoming festivities which included the reception, the football game, and the dance the following night. The reason for having the dance on a separate day from the assembly and game is to avoid complications from having them on the same night.

Decorations for Homecoming were done by the Junior and Senior classes. The school gymnasium was magically turned into a castle right out of the middle ages, including trees, a moat, stream, and colorful fountains. The Juniors decorated the cafeteria just as originally.

The Queen and her princesses reigned over the football game Saturday night against the Del Norte Knights. At halftime, the Highlanders performed to the music of the HHS marching band, under the direction of drum major Gary Reynolds.

Ljerka Kordic was truly surprised when she was honored by being chosen Highland's homecoming queen. She decided to run for it because being a foreign student from another organization other than A.F.S., she wasn't automatically chosen to be on the homecoming court. Ljerka had the highest number of points of all the girls on the court awarded to her from the judges. She loves sports, especially football and basketball, and she thinks American sports are much more fun and interesting than the soccer of her home country, Yugoslovia. The excited Ljerka reigned over the homecoming game and the dance the next night.

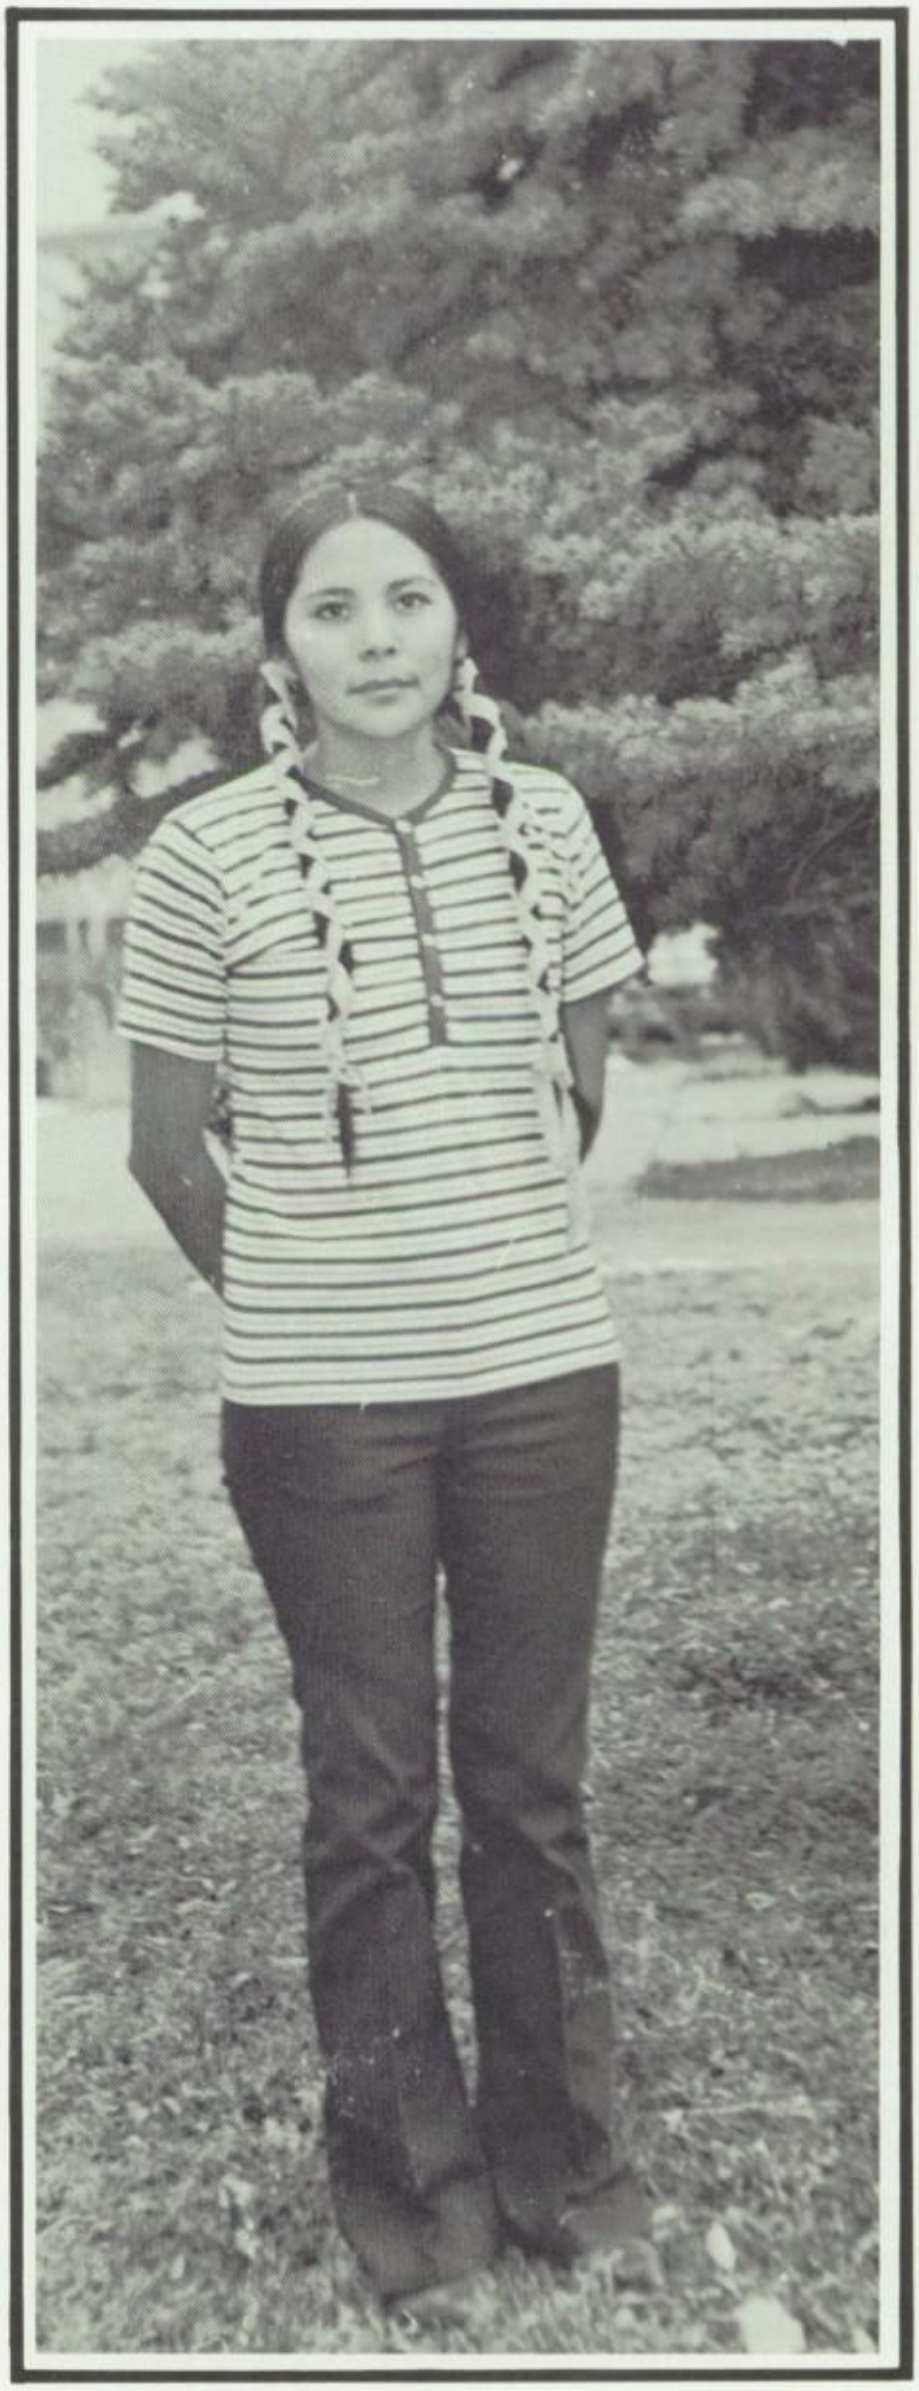
# Miss Indian New Mexico—

# Janet Sloman

Peering through the bushes we saw them
Not knowing who the white colored skin people are
We ran out to greet, feed, and welcome them
Like we learned from our ancestors.
From the start we didn't know what we were falling into.
Love, hatred, peace, war, pollution, liquor
Laughs at our sacred plants.
Thinking they have it all
Going on their so-called "trips"
But still, I keep them in mind
When I pause to talk with the Great Spirit.
Hoping the time will come
When we'll be able to understand each other.
When we'll use their missles like them
When they'll use our corn pollen like us.
Last but not least—
I hope we'll never define . . . PREJUDICE.
—Janet Sloman



Janet Sloman, a senior at Highland, was chosen to be this year's Miss Indian New Mexico. Janet represents over 20 tribes of Indians and hopes to gain recognition for the Indian people while holding this title. Janet will hold this title for a year, and will compete for the title of Miss Indian America this summer in Sheridan, Wyoming. Among other things, she won a scholarship to New Mexico State University in Las Cruces, a Kachina doll worth $96, $195 gift certificate, and various other items vauled at about $2000. Janet has many hobbies, including horesback riding, playing basketball, hiking, traveling, playing baseball, and competing in rodeos. Janet's Indian name is "Rainbow Girl."

# Annual Staff Drops

Pictures, pictures, pictures! On the boards, under the tables, between the cracks in the walls—everywhere! That was what you found in Room 205 this year. If you looked hard enough you would have seen twelve industrious students climbing around in the mess trying to put together the '73 Highlander.

Under the guidance of Mr. Manire and editor Pamela Biesterveld, the annual staff worked hard at observing, photographing, and writing about the Highland student body in an effort to produce the best HHS yearbook yet.

## AMERICA, COMMUNICATE WITH ME

I'm tired of all your protests, they're getting out of hand.
And all you politicians, you're too vague to understand.
Yeah, I'm somewhere in the middle of two extremes without a plan.
I'm just the average man just trying to do the best I can.

And I've had it with the preachin'—I don't want to hear no more.
Everybody's spreading doubts with shouts of politics and war.
And from where I stand it don't make sense to be against or for.
Seems like now a days there is no call to reason anymore.

But the answers aren't all yes or no, to or fro, stop or go.
Everything's not left or right, black or white, day or night.
America, my country 'tis of thee!
America, communicate with me.

Three small bullets took the leaders that could help us all unite.
And the people split asunder in their search for truth and right.
And the rabble rousers preach distorted views from left and right.
And the rockets red glare searches for the dawn's early light.

But despite your flaming headlines, I'll still keep my faith in you.
And you're still the same great country that I pledge allegiance to.
Call me a sentimental patriot, well, I guess that could be true.
But I can't help but think a lot of people feel the way I do.

But the answers aren't all yes or no, to or fro, stop or go.
Everything's not left or right, black or white, day or night.
America, my country 'tis of thee!
America, communicate with me.
